ASHRAE Members and Non-Members Welcome!

The ASHRAE Northeast Chapter Membership Promotion Committee invites everyone to come join us for our first annual ASHRAE Trivia night.

Sign-up now individually or with your whole team (maximum of 8 players). If you do not have a team sign-up as an individual and we will place you on a team when you arrive! Bonus points are possible for trivia teams that bring new members who join ASHRAE at the event.

Trivia will be general knowledge with one HVAC specific round, so feel free to bring your friends or spouses.

Prizes will be awarded to the top three teams and most clever team name.

Food from a local food truck, along with Fort Orange Beer, craft cider and wine will be provided during the event at no additional cost.

Not good at trivia? Who cares! Come out and enjoy a drink while taking your best guess and meeting new people.
